What we do

Products

Our extensive product range is designed to meet diverse customer requirements. We offer a wide variety of high-quality products that are reliable, durable, and backed by warranties for customer peace of mind.

OEM/ODM

The project products are planned to be carried out by independent production. With the maturity of technology and the expansion of market scale, in order to save costs, OEM processing is adopted for production.

Service

We are committed to providing excellent customer service. Our dedicated team is available to assist customers with any inquiries or concerns, ensuring a smooth and pleasant experience from initial contact to after-sales support.

Delivery

Timely delivery is a priority for us. We have a well-organized logistics system in place to ensure prompt and accurate delivery of orders. You can rely on us to deliver your products on time.

High Quality

Our company focus on quality and ensures that all our products meet the standards of customer. We have strict quality control processes at every stage of production from material to shipping.

R&D

We invest in continuous research and development to stay at the forefront of innovation. Our dedicated R&D team works tirelessly to develop new and improved products that cater to evolving customer needs.

Key customers:

Wood Touch Garden Sheds

Wood Touch Garden Sheds

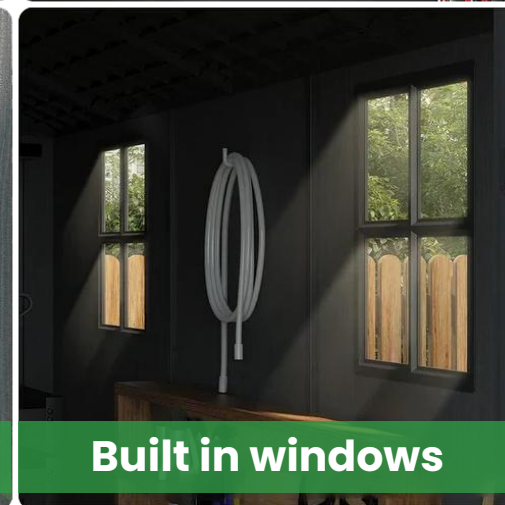

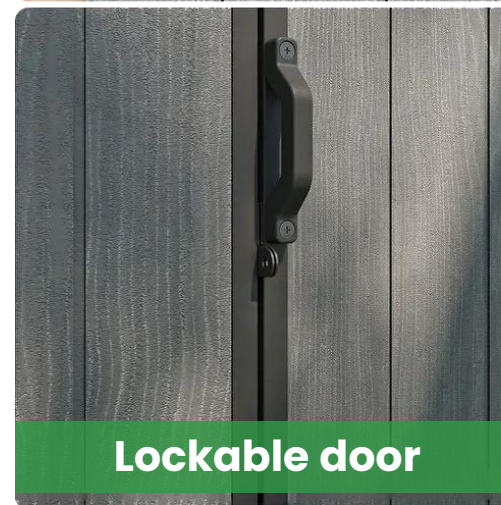

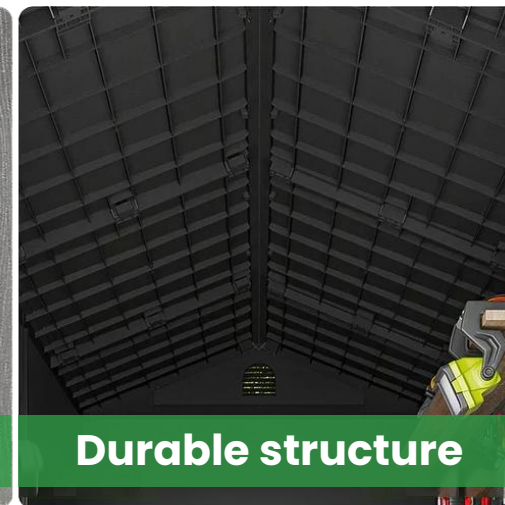

Maintenance free garden sheds, built to last with a 10 Year Warranty for complete peace of mind.

The 'Wood-Touch' Shed range from Garden Guard offer a great looking, practical & long-lasting solution for your garden storage needs, combining the warmth and feel of natural wood with the practicality of weather-resistant plastic.

Made from extra strong 16mm double-walled panels and finished in a choice of contemporary colours with 'Wood-Touch' texture for a realistic wood like feel, for a sturdy solution with zero maintenance required.

All sheds include feature a secure lockable door for added security, window(s) to allow natural light, and durable waterproof floor and structure.

Stress free assembly with 'Easy-Build' large panels for quick and easy construction.

Colours

The 'Wood Touch' finish is available in a choice of two contemporary colour ways, Grey with Anthracite doors, and Oak Wood with contrasting black doors.
